

Jones-Payton Workout Schedules

The below schedules depict what a typical week will look like beginning on 11/27. Varsity members are required to attend at least two morning workouts per week, but are encouraged to attend all 3 if possible. Also, the Saturday/Sunday schedule will switch back and forth depending on building availability. My hope is to keep as many Sundays clear as possible. If we have a meet or practice on Saturday there will not be a Sunday workout.
